WEIGHTED GRADE POINT AVERAGE (GPA)

GPA is based on marks earned in grades 9–12. All courses for which the student receives a grade A-F are included in the GPA. Pass grades are not included in the GPA, but do count for graduation credit (a maximum of one credit per year may be taken with the pass/fail grade option).

Students who take Advanced Placement (AP), International Baccalaureate (IB), Scientific Research I and II, multivariable calculus and differential equations courses receive additional weighting in GPA calculations. Students are required to successfully complete the AP, IB or end-of-course exam to receive an additional 1.0 in GPA calculations (i.e., A = 5.0).

GPA is calculated on a 4.0 point scale:

A = 4.0	A- = 3.7	B+ = 3.3
B = 3.0	B- = 2.7	C+ = 2.3
C = 2.0	C- = 1.7	D+ = 1.3
D = 1.0	D- = 0.7	F = 0

GPA DISTRIBUTION

Students at MHS do not receive an individual class rank. The calculation of cumulative grade point average includes additional weighting for AP and IB courses.
