

# \$20-\$25/hr Flexible Hours PCA for 5-year-old

We're the Merchants and we are looking for a compassionate and loving PCA for our 5-year-old daughter Adelyn! Flexibility in hours and days of week! Great opportunity for someone interested in healthcare. She was a well child that got very sick with autoimmune encephalitis 3+ years ago leaving her unable to talk, eat orally, or move her body with much intention. However, she's still a vibrant little girl that loves toys, music/dancing and books. We adore her and we know you will too!

## Requirements:

- Compassionate
- Patient
- Loving
- Able to lift 40lbs
- If we are a good match you'll need to get PCA certified (a short online course with a quiz and a background check)

## Tasks:

- Hanging with our girl!
- Aiding in physical, occupational and speech therapies including use of an eye gaze speech device
- Personal cares for Adelyn
- Some domestic tasks such as cleaning syringes and blending her tube feeds

## The details:

- Start date: June, flexible
- Hours (flexible!): 8-4:30 (flexible) for summer then 3-5:30 (flexible) evenings throughout school year. Can discuss part time (3-4 days/week) if desired! If able, 2pm start to get her off the bus too!
- Pay: \$20-25 per hour with sign on training opportunity bonus \$500-\$1000
- Located in southwest Plymouth near Wayzata
- Friendly golden retriever at home
- Mom and dad work in home office, sometimes mom and Adelyn's two sisters will hang with you too!
