Senior Party

- About 64% attendance for 2018 graduates
- 61 signed up the night of, after the ceremony
 - Didn't expect that big of a number
 - Ran out of forms
 - Not enough volunteers to support the rush
- U. S. Bank was a tough venue to organize the busses
- Hard for people to see the signage of where to go
 - Was blue and white, suggests bright yellow for next year
- People were shocked about the amount of scholarships given out
 - Years prior the school helped pay for and recognize those in need
 - In April, Mary Beth Wiig let Donni know that the school was no longer offering to help with scholarships
 - We had no way of knowing who should or shouldn't get a scholarship so gave one to anyone that asked
 - Idea for next year is to add a button for sponsoring another student when signing up

- Communication about the party was hard to get the word out
 - Relied on social media
 - Email from the school was hard to get published
- End of the night prize distribution ran out of time
 - Supposed to be back at MHS at 5 and didn't leave the venue until 5 a.m.
 - Next year, do the distribution in waves throughout the night and big items at the end
- Collected the lanyard to be used for the next year party
- Has been working with the 2018-2019 Senior party chairs for 2 months and will meet again in July
